SUBJECT : **REQUEST FOR THE PRC TO CONVENE AN OFFICIAL MEETING BETWEEN THE PRBoA AND THE PROFESSIONAL REGULATORY BOARD OF CIVIL ENGINEERING (PRBoCE) ON THE MATTER OF THE SIGNATORY TO ARCHITECTURAL DOCUMENTS**

REFERENCE : Official PRBoA Position Paper received at PRC and the 10 May 2007 Meeting of the PRC Chairperson and the PRBoA

Madam Chair,
Warm Greetings!

The Professional Regulatory Board of Architecture (**PRBoA**) requests the conduct of an official PRC meeting with the PRBoCE to ascertain the PRBoCE's official stand on the matter of civil engineers (CEs) preparing, signing and sealing architectural documents. The PRBoA believes that such a practice by registered/licensed CE's constitutes a major violation of RA 9266 (The Architecture Act of 2004).

The PRBoA trusts that the PRC shall oversee the conduct of the said meeting, which could be held sometime early to mid-June 2007 to enable the 2 PRBs to prepare fully. The results of the said meeting shall guide the PRBoA in its future actions geared towards the full implementation and enforcement of RA 9266, its IRR and derivative regulations.

The PRBoA trusts that the Commission shall be able to convince the PRBoCE to meet the PRBoA soonest to try to settle issues within PRC confines and to help attain a certain measure of industrial peace within the regulated professional community. Thank You.

Yours sincerely,
For the PRBoA

Armando N. ALLÍ
Chairman, PRBoA
