

MEMORANDUM No. 09

To : **M. PURITA B. ALVIAR**
Chief, PRC Examination Division
M. GINA A. CONSIGNADO
OIC, PRC Rating Division

FROM : **PR Board of ARCHITECTURE (PRBoA)**

RE : **Request for Advice on the Possible Consolidation of Day 2 Examination Subjects Under the Architecture Licensure Examinations (ALE)**

DATE : June 21, 2007

Mesdames,

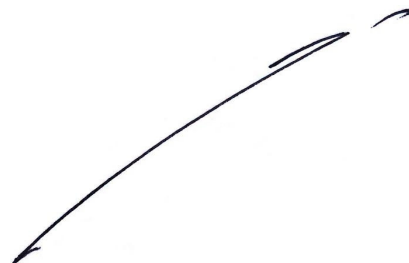

Partly based on the **PRBoA**'s observed results of the examinees' rather dissatisfactory performance on the **Day 2** of the January 2007 ALE (when the subjects of 1) Structural Design, 2) Building Materials and Architectural Specifications and 3) Methods of Construction and Utilities are tested), the **PRBoA** hereby official requests that the PRC Examination Division (and possibly the Ratings Division) render advice on the possibility of consolidating Day 2 ALE subjects (similar to Day 1 subjects).

Should there be positive feedback from the 2 divisions, the **PRBoA** hopes that the same could be implemented in time for the January 2008 ALE. Additionally, the **PRBoA** shall need advice if Days 1 and 2 of the ALE could be consolidated into just one (1) day.

Thank You very much for the attention You shall give this matter.

Yours sincerely,

For and by Authority of the PRBoA

ARMANDO N. ALLÍ
Chairman
