- h. **2002 through 2012, Architecture Advocacy International Foundation, Inc. (AAIF)**, one of the other associations of architects (OAAs) under Sec. 40 of R.A. No. 9266;

- i. 2007 through 2012, **Philippine Institute of Architects (PIA)**, one of the OAA's under Sec. 40 of R.A. No. 9266; and
- j. 2007 through 2012, **Philippine Association of Professional Regulatory Boards (PAPRB)**.

Key Qualifications:

Consultant's field/s of practice : general architectural planning and design services for projects ranging from low-cost housing up to high-rise mixed-use buildings/ complexes and transportation facilities; general physical development planning encompassing transportation facility planning, new transit and highway systems, reclamation, housing and resettlement planning, land and property developments, general urban design and comprehensive land and water use planning; preparation and review of environmental studies; management of contracted professional consulting services; and physical planning, building and professional practice laws and regulations.

Professional involvements for nearly three (3) decades encompass **general architectural design, general allied design** with/ without limited environmental investigation services, and the like, for a broad range of projects both in the Philippines and overseas, as well as various aspects/ classes/ levels of Development Planning, Environmental Planning and Land and Property Development Consulting i.e. physical planning/ site planning, urban planning/ transportation planning/ transportation facility planning, master development planning (MDP), comprehensive land and water use planning (CLWUP),.

Thirty (30.0) years of concurrent, responsible and diversified experience in the practice of the **Architectural profession**, with project packaging/ project development, space planning, architectural programming, architectural design development, site development planning, detailed architectural and engineering design coordination (DA&EDC), contract management/ administration, contract/ tender/ construction documentation, tendering assistance, periodic construction supervision (PCS), **plan/ design review/ evaluation**, client recruitment/ relations, business development, corporate/ office/ business management, building technologies/ housing systems and low cost construction materials research and development (R&D), pre-feasibility/ feasibility study preparation, architectural instruction and **project management** of contracted consulting services as primary areas of professional practice

Professional **architectural** consulting experience is complemented by more than twenty five (25.0+) years of progressively responsible and highly diversified professional experience in the parallel/ concurrent practice of the **Environmental Planning (EnP) profession**, with master development planning (MDP), urban/ transportation/ development/ site planning, comprehensive land and water use planning (CLWUP), land use mapping and analyses, zoning ordinance (ZO)

preparation/ revision, formulation of development controls and management guidelines preparation (for building occupancies and land uses), environmental/ area/ estate/ site planning, field research, pre-feasibility/ feasibility study (PFS/ FS) preparation and the **project management** of contracted consulting services as areas of professional practice.

Environmental/ physical planning and architectural consulting experiences are complemented by about twenty (20.0) years of parallel responsible/ diversified experience in the practice of the **Allied Design Professions**, with architectural and engineering (**A&E**) design coordination, design of architectural interiors (**AI**), interior design (**ID**) and supervision, furniture design (**FD**) supervision, graphic design (**GD**), site development planning (**SDP**), landscape architecture design (**LAD**) coordination, urban design (**UD**), construction management (**CM**), performance of various real estate services (including preparation of highest and best use studies), pre-feasibility or feasibility study (**PFS/ FS**) preparation and the project management (**PM**, including Design Management/ **DM**) of contracted consulting services as supplemental/ complementing areas of State-regulated professional practices.

Design and planning experiences are further complemented by the performance of various types/ levels of environment consulting, environment design and limited participation in the preparation of Environmental Impact Assessment/ Study (**EIA/ EIS**) services over the past thirteen (13) years with focus on limited-scope initial environmental investigations (**IEEs**) for office, commercial and residential building projects in urban locations and for housing sites in urban/ rural-urban settings.

The foregoing professional experiences are also complemented by hands-on professional office management experience for Shellink Planners, Inc. (**SPI**), a Philippine (PH)-registered corporation with 60 fulltime staff (as General Manager and Director from 1989 through 1994), DACY Architects Planners Company (**DACYapc**), a PH-registered partnership with 35 fulltime staff (as Managing Partner from 1993 through 2002), DA Architecture Corporation (**DAac**), a PH-registered corporation (as General Manager from 2008 to 2009) and **ADNAapec NDCS**, a PH-registered sole proprietorship (as General Manager from 1993 through 2012).

Ar Alli is an officially-accredited professional in the field of Alternative Dispute Resolution (**ADR**) for the construction industry sector i.e. construction arbitration, mediation or conciliation. He was inducted into office in July 2001 by a Justice of the Supreme Court of the Philippines as a Construction **Arbitrator** of the **DTI-CIAP** Construction Industry Arbitration Commission (**CIAC**). As a Construction Arbitrator, he hears and resolves construction cases brought before him or before the Arbitral Tribunal of which he is a Member. He was also later separately accredited by the CIAC as a Construction **Mediator**.

Over the years 2007 to date, he also periodically served as an **Expert Witness** for cases dealing with construction, violations of Presidential Decree (P.D.) No. 1096, otherwise known as the National Building Code of the Philippines (NBCP) and violations of certain professional regulatory laws (PRLs).

Ar Alli is also a firm advocate for the quality and ethical practice of the professions of architecture and environmental planning as evidenced by his involvement in Philippine legislative efforts to amend existing/ antiquated laws concerning the practice of environmental planning and architecture in the Philippines. He participated actively in the crafting and lobby effort for the passage/ approval of Republic Act (R.A.) No. 9266, otherwise known as the Architecture Act of 2004, its Implementing Rules and Regulations (IRR) and derivative regulations including the 2006 Architect's Code of Ethics. He was also involved in the subsequent effort to amend and update other architectural regulations (including the 2010 standards of professional practice/ SPP for Philippine registered and licensed architects/ RLAs). He served as the **Acting Chair** of the Professional Regulatory Board of Architecture (the PRBoA) under R.A. No. 9266, otherwise known as The Architecture Act of 2004, a PH National Government position he held from Nov 2006 through Nov 2012/ 6 years (URL: www.architectureboard.ph). The PRBoA is part of the PH Professional Regulation Commission (URL: www.prc.gov.ph), presently under the PH Department of Labor and Employment (DoLE).

He is also actively involved in the preparation of tourism standards/ guidelines/ regulations, tourism ordinances, zoning ordinances and related development controls for various local government units (LGUs) and in the crafting of the 2004 Revised Implementing Rules and Regulations (R-IRR) of P.D. No. 1096 (the 1977 National Building Code of the Philippines or NBCP) which took effect 01 May 2005 (and which was reconfirmed by a competent Philippine Court on 09 January 2008 and again on 04 May 2009). For the 2004 Revised IRR of the NBCP, the DPWH Board of Consultants (BoC of which Ar Alli was a Member since 2002, Co-Vice Chair from March 2007 through March 2011 and Vice Chair since April 2011), successfully integrated physical planning considerations with general design concerns.

Ar Alli is an **APEC Architect** (registered with the Asia-Pacific Economic Cooperation's Architect Register for the PH), allowing him to engage in **borderless** professional architectural practice (on a **collaborative** practice mode with local architects from a host APEC member economy), and subject to certain other limitations by the said APEC member economy. He is an **Honorary Fellow** (*hfpia*) of the Philippine Institute of Architects (PIA), a **fellow** (*fspac*) of the Society of Philippine Accredited Consultants (SPAC) and a **fellow** (*fuap*) of the United Architects of the Philippines - the Integrated and Accredited Professional Organization of Architects (UAP-IAPOA).

Forest Ridge Upscale Residential Development Project, Antipolo City, Rizal Province, PH; 2005-2007 (8.0 months) for David, Alli, Cruz & Yazon Architects/ Planners Co (DACYapc) for Jardine Land, Inc. (JLI); horizontal construction completed in 2009;**
- 03) **LM Consulting Architect for Renovation/ retrofit for the Proposed SITD Offices (at Building C) of the Bangko Sentral ng Pilipinas (BSP) Security Plant Complex (SPC) Project, with an aggregate floor area of one thousand two hundred sixty (1,260.0) sqm, East Avenue, Quezon City, Metro Manila; 2004 (1.0 month) for Luis and Marquez (LM), the BSP commissioned consultants; construction completed in 2007;**
- 04) **FDC Architect-of-record for Detailed architectural and engineering (DA) design and detailed allied design (AD) for the proposed four (4)-storey Home Development Mutual Fund (HDMF)/ Pag-Ibig Fund Regional Office Project in Cagayan de Oro (CDO) City, Misamis Oriental, Region X, Mindanao, 2003 - 2004 (12.0 months) for the Filipinas Dravo Corporation (FDC), commissioned consultant of HDMF; total floor area at about three thousand square meters (+/-3,000.0 sqm);**
- 05) **FDC Architect-of-record for Detailed Architectural and Engineering (DA&E) Design, Interior Architecture Design and Space/ Site Planning for two (2) division office buildings of the Department of Education (DepEd), with an aggregate floor area of over one thousand six hundred (+/-1,600.0) sqm; 2004 (part-time engagement); total estimated project cost at P21.0 M; project status : construction completed in 2005;**
- 06) **DACYapc Project Manager for Detailed architectural and engineering (DA&E) design of the three (3)-storey University of the Philippines Open University (UPOU) Administration Building (+/-2,100.0 square meters), the Administration Complex (3.0 other buildings), and the conceptual master planning/ detailed site development planning for the UPOU campus (22.0 has.), UPLB (College), Los Banos, Laguna; 1998-1999 (2.0 years) for DACYapc for UPOU; actual project cost at P43.0 M; project status : construction completed and building made operational in 1999;**
- 07) **DACYapc Project Manager for Detailed architectural and engineering (DA&E) design and detailed allied design (AD) for various Social Security System (SSS) Hub and Branch Office Building (HOB) Projects in Luzon (Naga, Batangas, Calapan, etc.) and Metropolitan Manila (Alabang/ 2 locations); 1996 to 2001 (5.0 years) for DACYapc for SSS; total floor area at about two thousand five hundred square meters (+/-2,500 sqm); combined project cost at about P80.0 M; project status : almost all are operational (except for the SSS Alabang Hub Office (project implementation suspended);**
- 08) **DACYapc Contract Administrator, Consulting Architect and Consulting Space Planner-Interior Designer for the joint design development of new hub (regional) and branch offices for the Prudentiallife Group Expansion Program; 1993-1999 (4.0 years); the projects cover enclosed floor areas totaling fifteen thousand square meters (+/-15,000.00 sqm); the combined actual project cost is at P240.0 M; project status : construction completed and buildings/ offices were all made operational by 1999;**
- 09) **DACYapc Assistant Project Manager, Architect and Consulting Space Planner-Interior Designer for the joint design development for the renovation and/or new construction of fifty (50) Westmont Bank branch offices; 1995-1999 (3.0 years); an aggregate interior floor area of over one thousand four hundred (+/-1,400.0) sqm; total actual combined cost at about P90.0 M; project status : construction completed and buildings/ offices made operational in 1999;**
- 10) **DACYapc Project Manager, Architect and Consulting Space Planner for the House of Sara Lee (HoSL) headquarters office; 1992-1994 (1.5 years) for DACYapc for HoSL; an aggregate interior floor area of over two thousand four hundred (+/-2,000.0) sqm; project status : construction completed and buildings/ offices made operational in 1994;**

- 11) **DACYapc Assistant Project Manager and Architect** for the Westmont Bank (WB) headquarters office project; 1994-1995 (1.5 years) for DACYapc for WB; an aggregate interior floor area of over ten thousand (+/-10,000) sqm; construction **completed** and building/ offices made operational in 1995;
- 12) **DACYapc Assistant Project Manager and Architect** for the Firstbank (Fb) headquarters office project; 1993-1994 (-1 year) for DACYapc for Fb; an aggregate interior floor area of over six thousand (+/-6,000) sqm; construction **completed** and building/ offices made operational in 1994;
- 13) **SPI Assistant Project Manager and Supervising Architect** for **Allied Design Consulting Services i.e. Space Planning/ Management (SP/SM), Interior Design (ID), Site Development Planning/ Landscape Architecture Design (SD/LAD) and Furniture/ Movables Design (FMD) for the New Philippine National Bank (PNB) Headquarters Office Complex**, Financial Center, Pasay City, Metro Manila; the Project had approximately 136,000.0 sqm (13.6 hectares) of enclosed office floor spaces and some 70,000.0 sqm (7.0 hectares) of outdoor office activity areas on a ten hectare (10.0 has.) property; actual project cost at P1,500.00 M; 1989 - 1993 (4.0 years of both full time and part-time engagement) for Shellink Planners, Inc. (SPI) for PNB; project status : construction **completed** and complex/ building and grounds made fully operational in 1993;
- 14) **SPI Assistant Project Manager and Supervising Architect** for **Detailed Architectural and Engineering (DA&E) Design, Interior Design and Space/ Site Planning for four (4) major multi-storey PNB Buildings, including the PNB Escolta Head Office**, totalling over thirty-five (35.0) storeys and with an aggregate floor area of approx. forty thousand (40,000.0) sqm; 1987-1990 (3.5 years of both full time and part-time engagement in-office) for SPI for PNB; total actual project cost at P380.0 M; project status : construction **completed** and buildings/ offices were all made operational in 1992;
- 15) **SPI Assistant Project Manager and Supervising Architect** for **Detailed Architectural and Engineering (DA&E) Design, Interior Design and Space/ Site Planning for fourteen (14) of twenty-five (25) new Philippine National Bank (PNB) branch or regional office buildings** all over the Philippines, with an aggregate floor area of over twenty thousand (+/-20,000.0) sqm; 1987-1993 (6.5 years of both full time and part-time engagement in-office) for SPI for PNB; total actual project cost at P230.0 M; project status : construction **completed** and buildings were all made operational in 1994;
- 16) **SPI Assistant Project Manager and Supervising Architect** for **Detailed Architectural and Engineering (DA&E) Design, Interior Design and Space/ Site Planning for the Renovation of over twelve (12) major PNB branch or regional offices in line with the PNB's branch and regional offices upgrading program**; the Project involves an aggregate floor area of over ten thousand (+/-10,000.0) sqm; 1987-1989 (2.5 years of both full time and part-time engagement in-office) for SPI for PNB; total actual project cost at P115.00 Millions; project status: construction **completed** and buildings/ offices were all made operational in 1992;
- 17) **SPI Project Manager, Supervising Architect, Space Planner and Construction Manager**, Renovation of the Office of the Secretary of the Department of Agriculture (DA) and of the National Agricultural and Food Council (NAFC) Secretariat; aggregate floor area of approx. one thousand five hundred (1,500.0) sqm of enclosed offices; 1987-88 (design) and 1989-1990 (construction management); (2.5 years of both full time and part-time engagement in-office) for SPI for NAFC; total actual project cost at P10.5 M; project status : construction **completed** and offices made operational in 1991;
- 18) **SPI Assistant Project Manager, Supervising Architect and Space/ Site Planner**, Construction of twenty-five (25) new Philippine National Bank (PNB) branch or regional offices all over the Philippines, with an aggregate floor area of over twenty thousand (+/-20,000) sqm; 1987-1993 (6.5 years of both full time and part-time engagement in-office) for SPI for PNB; total actual project cost at P230.0 M; project status : construction **completed** and buildings were all made operational in 1994;
- 19) **DACYapc Assistant Project Manager and Consulting Architect/ Space Planner/ Interior Designer** for the **renovation/retrofit** of the First International Bank or Firstbank (then PDCP Bank) Headquarters Office in Makati City; and for the upgrading/ retrofit/expansion of the Westmont Bank Head Office Building in Binondo, Manila; the two projects total an aggregate floor area of approximately sixteen thousand square meters (+/-16,000 sqm); 1993-1994 (5.0 months) for DACYapc; the actual combined project cost is at P25.0 M; project status : construction **completed** and offices made operational in 1994 and 1996 respectively;
- 20) **FDC Consulting Architect** for **Space Planning and Preliminary Architectural Plan Preparation for the Bonifacio Development Corporation (BDC) Annex Complex Project** at the old NDCP Building/ Site at Fort Bonifacio, Makati City (0.7 ha./ 8,000 sq. m.); 1997 (2.0 months) for the FDC for BDC; project status : construction **completed** and facility made operational in 1998;
- 21) **FDC Consulting Architect and Site Planner** for the completed development of the sixty five hectare (65.0 has.) campus of the Philippine Merchant Marine Academy (PMMA) in San Narciso, Zambales, 1995-1996 (2.50 months) for FDC for PMMA; actual project cost at about P64.0 M; project status : construction **completed** and complex/ buildings and grounds made operational in 1998;
- 22) **Consulting Architect and Architect-of-record** for the **Site Master Planning, Space Planning and Preliminary Architectural Design for the New San Marcelino Public Market** (ADB-funded and SBMA-funded) in San Marcelino, Zambales Province, PH; 2001 (3.0 months as) for the FDC, the SBMA and the LGU of San Marcelino, Zambales; +/- 6,000.0 sqm,

2001-2001, estimated project cost at about P54.0 M; project status : construction **completed** and building operational; and

- 23) **FDC Consulting Architect and Site Planner** for the development (+/-3,500.0 sqm) of the 0.3 hectare Roppongi Property of the Philippine Government in Tokyo, Japan, 1994-1995 (3.50 months) for the Association of Filipinas Dravo Corporation (FDC) and Nihon Sekkei (Tokyo), for the Department of Foreign Affairs (DFA) of the Republic of the Philippines (GOP); estimated project cost at about P90.0 M; project status: construction **completed** & building made operational in 1999.

II. Substantially Completed Architectural Services (Public and Private Buildings/ Facilities)

- 01) **Consulting Architect** for the J Centre mixed use development project, Mandaue City; 2007-2009 (+/- 2.0 years); an aggregate gross floor area of over one hundred thousand (+/-100,000.0) sqm; Phase 1 construction **completed** in November 2011;
- 02) **FDC & DAac Project Manager for Pre-Design through Preliminary Architectural and Engineering and Allied Design (PAEAD) for the Proposed 54,000.0 SqM. (for further expansion to 78,000.0 SqM.) PhilHealth Corporate Center Project**, East Ave., Quezon City, NCR Philippines (PH); 2008-2012 (3.0 years part-time) for FDC for the Ph Health Insurance Corp. (PHIC) for the Dept. of Health (DoH);
- 03) **DACYapc & DCCDec Project Manager and Architect-of-record for Detailed architectural (DA) design, detailed allied design (AD) and the conduct of the Initial Environmental Examination (IEE) study for the proposed eight (8)-storey Philippine Ports Authority (PPA) Headquarters Office Building (HOB) Project** in the South Harbor, City of Manila; 2001 - 02 (1.5 years); total floor area at about twenty thousand square meters (+/- 22,000.0 sqm); project cost at P820.0 M (as of 2002); project status : project implementation indefinitely suspended by the PPA in early 2002 in mandatory compliance with Administrative Order (AO) No. 5 issued by Philippine President Gloria M. Arroyo (PGMA) and by later austerity measures;
- 04) **DACYapc Assistant Project Manager and Consulting Architect for detailed architectural (DA) design** for the proposed twenty-two (22)-storey Margarita Plaza Twin Tower mixed-used development project in the Timog Ave. area, Quezon City; TERP Margarita Plaza Corporation; 1993-1998 (3 years); (+/-30,000.0 square meters or sqm); and
- 05) **DACYapc Assistant Project Manager and Consulting Architect-Space Planner/ Interior Designer** for the **detailed architectural and engineering (DA&E) design** of the fourteen (14)-storey Michelle Towers in Cubao, Quezon City for JSO Development Corporation (JSODC); 1993-1998 (3 years) for DACYapc for JSODC; (+/-6,800.0 sqm).

III. Architectural Interior (AI) and/or Interior Design (ID) and/or Furniture and Movables Design (FMD) Project Involvements

- 01) **SPI Assistant Project Manager and Supervising Architect for Allied Design Consulting Services i.e. Space Planning/ Management (SP/SM), Interior Design (ID), Site Development Planning/ Landscape Architecture Design (SD/LAD), and Furniture/ Movables Design (FMD) for the New Philippine National Bank (PNB) Headquarters Office Complex**, Financial Center, Pasay City, Metro Manila; the Project had approximately 136,000.0 sqm (13.6 hectares) of enclosed office floor spaces and some 70,000.0 sqm (7.0 hectares) of outdoor office activity areas on a ten hectare (10.0 has.) property; 1989 - 1993 (4.0 years of both full time and part-time engagement) for Shellink Planners, Inc. (SPI) for PNB; project status : construction **completed** and complex/ building and grounds made fully operational in 1993;
- 02) **SPI Assistant Project Manager and Supervising Architect for Detailed Interior Design and Space/ Site Planning Services for four (4) major multi-storey PNB Buildings, including the PNB Escolta Head Office**, totalling over thirty-five (35.0) storeys and with an aggregate floor area of approx. forty thousand (40,000.0) sqm; 1987-1990 (3.5 years of both full time and part-time engagement in-office) for SPI for PNB; project status : construction **completed** and buildings/ offices were all made operational in 1992;
- 03) **DACYapc Assistant Project Manager and Supervising Architect for Detailed Architectural Interior Design and Space/ Site Planning Services for the Renovation/ retrofit of the First International Bank or Firstbank (then PDCP Bank) Headquarters Office in Makati City and for the upgrading/ retrofit/expansion of the Westmont Bank Head Office Building** in Binondo, Manila; the two (2) projects total an aggregate floor area of approximately sixteen thousand square meters (+/-16,000 sqm); 1993-1994 (5.0 months) for DACYapc; project status : construction **completed** and offices made operational in 1994 and 1996 respectively; and
- 04) **SPI Assistant Project Manager and Supervising Architect for Detailed Interior Design and Space/ Site Planning Services for fourteen (14) of twenty-five (25) new Philippine National Bank (PNB) branch or regional office buildings** all over the Philippines, with an aggregate floor area of over twenty thousand (+/-20,000.0) sqm; 1987-1993 (6.5 years of both full time and part-time engagement in-office) for SPI for PNB; project status : construction **completed** and buildings were all made operational in 1994.

IV. Major Component Architectural Researches and/or Architectural Programming (AP) and/or Space Planning/ Management (SP/SM) Project Involvements

- 01) PTCC Project Manager/ Principal Architect/ Master Planner for Site Development Planning cum Architectural Planning and Design Services for the 21,500.0 SqM portion of the 50,000.0 SqM TGFA Knowles Electronics Corp. (KEC of USA) Project 5.0 has. Greenfield Site Phases 1 and 2 (Electronics Production Plant), 2011 - 2013 (26.0 months); Philip's Technical Consultants Corp. (PTCC), commissioned consultant;
- 02) ADNAapec NDCS Consulting Architect for Conceptual through preliminary architectural & engineering (DA&E) design for the approx. 150,000 square meter (sqm) J Centre Mixed Use Development Project, City of Mactan, Cebu Province, PH; 2006-2011 (18.0 months part-time) for Armando Dominador N. Alli, architect-planner-environment consultant (ADNAapec) Networked Development Consulting Services (NDCS) for H. S. Pow Development Corp.;
- 03) FDC & DAac Project Manager for Pre-Design through Preliminary Architectural and Engineering and Allied Design (PAEAD) for the Proposed 54,000.0 SqM. (for further expansion to 78,000 SqM.) PhilHealth Corporate Center Project, East Ave., Quezon City, NCR Philippines (PH); 2008-2012 (3.0 years part-time) for the Filipinas Dravo Corp. (FDC) for the Ph Health Insurance Corp. (PHIC) for the Dept. of Health (DoH);
- 04) Consulting Architect and Architect-of-record for the Site Master Planning, Space Planning and Preliminary Architectural Design for the New San Marcelino Public Market (ADB-funded and SBMA-funded) in San Marcelino, Zambales Province, PH; 2001 (3.0 months as) for the FDC, the SBMA and the LGU of San Marcelino, Zambales; +/- 6,000.0 sqm, 2001-2001, estimated project cost at about P54.0 M; project status : construction completed and building operational;
- 05) DACYapc & DCCDec Project Manager and Architect-of-record for Detailed architectural (DA) design, detailed allied design (AD) and the conduct of the Initial Environmental Examination (IEE) study for the proposed eight (8)-storey Philippine Ports Authority (PPA) Headquarters Office Building (HOB) Project in the South Harbor, City of Manila; 2001 - 02 (1.5 years); total floor area at about twenty thousand square meters (+/- 22,000.0 sqm); project cost at P820.0 M (as of 2002); project status : project implementation indefinitely suspended by the PPA in early 2002 in mandatory compliance with Administrative Order (AO) No. 5 issued by Philippine President Gloria M. Arroyo (PGMA) and by later austerity measures;
- 06) DACYapc Assistant Project Manager and Consulting Architect-Space Planner/ Interior Designer for the detailed architectural and engineering (DA&E) design of the fourteen (14)-storey Michelle Towers in Cubao, Quezon City for JSO Development Corporation (JSODC); 1993-1998 (3 years) for David, Alli, Cruz & Yazon Architects/ Planners Co. (DACYapc) for JSODC; (+/-6,800.0 sqm);
- 07) DACYapc Project Manager and Consulting Architect-Space Planner for architectural design development of the proposed 22-storey Aegis Tower mixed-used development in Katipunan Ave., QC; 1997 (3 months) for DACYapc for the Belizario Family; (+/-12,000.0 sqm);
- 08) SPI Assistant Project Manager and Supervising Architect for Allied Design Consulting Services i.e. Space Planning/ Management (SP/SM), Interior Design (ID), Site Development Planning/ Landscape Architecture Design (SD/LAD), and Furniture/ Movables Design (FMD) for the New Philippine National Bank (PNB) Headquarters Office Complex, Financial Center, Pasay City, Metro Manila; the Project had approximately 136,000.0 sqm (13.6 hectares) of enclosed office floor spaces and some 70,000.0 sqm (7.0 hectares) of outdoor office activity areas on a ten hectare (10.0 has.) property; 1989 - 1993 (4.0 years of both full time and part-time engagement) for Shellink Planners, Inc. (SPI) for PNB; project status : construction completed and complex/ building and grounds made fully operational in 1993;
- 09) SPI Assistant Project Manager and Supervising Architect for Detailed Interior Design and Space/ Site Planning Services for four (4) major multi-storey PNB Buildings, including the PNB Escolta Head Office, totalling over thirty-five (35.0) storeys and with an aggregate floor area of approx. forty thousand (40,000.0) sqm; 1987-1990 (3.5 years of both full time and part-time engagement in-office) for SPI for PNB; project status : construction completed and buildings/ offices were all made operational in 1992;
- 10) DACYapc Assistant Project Manager and Supervising Architect for Detailed Architectural Interior Design and Space/ Site Planning Services for the Renovation/ retrofit of the First International Bank or Firstbank (then PDCP Bank) Headquarters Office in Makati City and for the upgrading/ retrofit/expansion of the Westmont Bank Head Office Building in Binondo, Manila; the two (2) projects total an aggregate floor area of approximately sixteen thousand square meters (+/-16,000.0 sqm); 1993-1994 (5.0 months) for DACYapc; project status : construction completed and offices made operational in 1994 and 1996 respectively; and
- 11) SPI Assistant Project Manager and Supervising Architect for Detailed Interior Design and Space/ Site Planning Services for fourteen (14) of twenty-five (25) new Philippine National Bank (PNB) branch or regional office buildings all over the Philippines, with an aggregate floor area of over twenty thousand (+/-20,000.0) sqm; 1987-1993 (6.5 years

ADNAapec *Networked Development Consulting Services (NDCS)* **Armando Dominador N. ALLÍ**, architect, planner & environment consultant Philippine (PH)-Registered & Licensed **Architect (RLA)**, RL **Environmental Planner (RLEnP)**, RL **Interior Designer (RLID)** & RL **Real Estate Broker (RLREB)** c/o Fax 286.2678 Handphone **0916.2862678** & Wireless Landline **347.5678** Email Addresses: planner.allii@gmail.com or consultant.allii@gmail.com of both full time and part-time engagement in-office) for SPI for PNB; project status : construction **completed** and buildings were all made operational in 1994.

V. Major Construction Management (CM) Project Involvements

- 01) **SPI Project Manager, Supervising Architect, Space Planner and Construction Manager**, Renovation of the Office of the Secretary of the Department of Agriculture (DA) and of the National Agricultural and Food Council (NAFC) Secretariat; aggregate floor area of approx. one thousand five hundred (1,500) sqm of enclosed offices; 1987-88 (design) and 1989-1990 (construction management); (2.5 years of both full time and part-time engagement in-office) for Shellink Planners, Inc. (SPI) for NAFC; total actual project cost at P10.5 M; project status : construction **completed** and offices made operational in 1991;
- 02) **DACYapc Partner-in-charge of Construction Management (CM) Services for the Construction of the Eight (8.0)-storey (6,500.0 SqM TGFA) Prudentiallife Angeles Business Centre**, Angeles City, Pampanga Province, PH; 1997-1999 (2.0 years) for David, Alli, Cruz & Yazon Architects/ Planners Co. (DACYapc) for the Prudentiallife Group; actual project cost at P105.0 M; project status : construction **completed** and building made operational in 1999; building plan and design also separately completed by DACYapc in 1997; and
- 03) **FDC Architect for Construction Management (CM) Services for the Construction of the Philippine Justice Academy (PHILJA) Complex**, Tagaytay City, Cavite Province, PH; 2009-2010 (2.0 years) for the Filipinas Dravo Corp. (FDC) for the Supreme Court of the Philippines (SCP); project status : construction **completed** and building made operational in 2010.

VI. Transportation Facility Physical Planning and Design Projects

- 01) **PTCC Project Team Leader and Architect/ Master Planner for Feasibility Study for the 96,000.0 SqM TGFA NAIA New International Cargo Terminal (NICT) Project**, 2010 (2.5 months); Philipp's Technical Consultants Corporation (PTCC), commissioned consultant for Ernst & Young (SGV);
- 02) **PTCC Project Manager/ Airport Planner for Feasibility Study for the Proposed Libmanan Airport Project (Camarines Sur)**, 2010 (4.0 months) under PTCC, commissioned consultant;
- 03) **PTCC Consulting Architect/ Airport Planner for Feasibility Study for the Proposed Kalibo Airport Expansion Project (Aklan)**, 2010 (4.0 months) under PTCC for Par Excellence, commissioned consultant of the Department of Transportation and Communications (DoTC);
- 04) **EDCOP Air Transport Planner for Feasibility Study with Master Development Planning (MDP) for the Proposed Expansion of the Caticlan Airport Project (Malay, Aklan Province)**, January to May 2011 (3.0 months) under the Engineering and Development Corp. of the Ph (EDCOP), associated consultant of the Louis Berger Group (LBG) for the San Miguel Corporation (SMC) group of companies and the Civil Aviation Authority of the Philippines (CAAP);
- 05) **Consulting Architect for Oversight for Detailed Master Development Planning (DMDP) and Detailed Architectural and Engineering Design (DAED) for the Proposed Expansion of the Diosdado Macapagal International Airport (DMIA) International Passenger Terminal (IPT) Expansion Project (Clark Field, Pampanga Province)**, 2011 (1.0 month) for Asset Builders Corp. in collaboration with Arch Haus Asia, Inc. (AHAI) as Design-Build Proponents (Bidders) for the DoTC Clark International Airport Corporation (CIAC);
- 06) **EDCOP Senior Architect for Feasibility Study with Detailed Master Development Planning (DMDP) and Preliminary Architectural Plan and Design Preparation for the Proposed CEZA-Northern Cagayan International Airport Project (Lal-lo, Cagayan Province)**, 2010 (4.0 months) under EDCOP, commissioned consultant for Getinsa (Spanish firm);
- 07) **EDCOP Senior Architect for Site Planning and Conceptual Architectural Plan and Design Preparation for the Pre-Feasibility Study for the Proposed CEZA-Northern Cagayan International Airport Project (Lal-lo, Cagayan Province)**, 2008-09 (4.0 months) under EDCOP (with PTCC), commissioned consultant for the DoTC;
- 08) **EDCOP Senior Architect for Feasibility Study for the Proposed Maddela Airport Project (Qurino Province)**, 2009-10 (3.0 months) under EDCOP, commissioned consultant for the DoTC;
- 09) **Consulting Architect for Pre-Feasibility Study for the proposed Manila International Cargo Terminal (ICT) Project and the Proposed MIAA-NAIA General Aviation Relocation Project (USAID-funded) at Pasay City, Metropolitan Manila, PH**; 1994 (4.00 months) for the DCCD Engineering Corporation in association with Daniel, Mann, Johnson and Mendenhall (DMJM) International for the Coordinating Council of the Philippine Assistance Program (CCPAP);
- 10) **DACYapc Consulting Planner for Conceptual Masterplan and Architectural Design for the 5.0 Hectares (Has.) PEA CBP-IA South Inter-modal Project as part of the Detailed Master Development Planning (MDP) and Limited Land Use, Transportation and Environmental Analyses (LLUTEA) / Studies for the Development of the 50.0-hectare (has.) property share of the Public Estates Authority (PEA) at the Central Business Park Island A [CBP-I(A)] portion of the Bay City (old Boulevard 2000) Project**, 2001 for David, Alli, Cruz & Yazon Architects/Planners Co. (DACYapc) for the Association of SGV Consulting, DACYapc

- (PEA);
- 11) **FDC Consulting Planner for Conceptual Master Redevelopment Planning for the proposed redevelopment of the 18.0 hectares (has.) Caloocan City Diocesan Property (Portion of the La Loma Catholic Cemetery Area) into the Northern Metro Manila Multi-Modal, site along Circumferential Road 3 (C-3) in Caloocan City, PH; 2003 (1.0 month), for the Filipinas Dravo Corporation (FDC);**
 - 12) **SPI Consulting Planner for Conceptual Masterplan for the 8.0 Hectares (Has.) North Inter-modal Project as part of the Conceptual Development Master Planning and Conceptual Architectural Design for the proposed North EDSA Mixed-Use Development Project (+/- 150,000.0 sqm), Quezon City, PH and grounds totaling some 40.0 hectares (has.); client was DCCD Engineering corporation for the National Housing Authority (NHA) and the Quezon City Government; 1989 (1.5 months of part-time engagement);**
 - 13) **Conceptual Master Plan and Architectural Design for the 7.0 Hectares (Has.) Recto Central Inter-Modal as part of the Planning Research and Conceptual Architectural Design for the proposed commercial and mixed-use developments in and around the proposed Light Rail Transit (LRT) System Line No. 2' s Recto-Bilibid Terminal, and in LRT Line No. 1's Blumentritt terminal with a combined floor area of approximately seventy thousand square meters (+/-70,000.0 sqm) under the MMC-ULMS Program, 1983 - 1984 for Electrowatt Engineering Services, Ltd. (of Zurich, Switzerland) Manila Regional Office;**
 - 14) **Conceptual Master Plan and Architectural Design for the 14.0 Hectares (has.) Arroceros Central Multi-Modal as part of the Planning Research and Conceptual Architectural Design for the proposed commercial and mixed-use developments in and around the proposed Light Rail Transit (LRT) System Line No. 1' s Arroceros Central Terminal with a combined floor area of approximately one hundred forty thousand square meters (+/-140,000.0 sqm), 1981 for Electrowatt Engineering Services, Ltd. (of Zurich, Switzerland) LRT Line 1 Construction Management Office;**
 - 15) **SPI Assistant Project Manager for Master Development Planning of the Proposed Clark Air Base Civil Aviation Complex International Passenger Terminal (+/- 50,000.0 sqm) and the International Container Terminal (+/- 90,000.0 sqm), together with their respective building grounds totalling some 1,000.0 hectares (has.); Shellink Planners, Inc. (SPI) for the Consortium of SGV & Co., DCCD Engineering Corp. & SPI, commissioned consultants of the Legislative-Executive Bases Council (LEBC) of the Government of the Republic of the Philippines (GRP); 1989-1990 (2.0 years of part-time engagement in-office);**
 - 16) **PCI Consulting Land Use Planner for the OECF-funded Batangas Port Project Phase II, Batangas Province, Region IV, PH; March-July 1997 (3.50 months) for the ALMEC Corporation and for Pacific Consultants, International (PCI);**
 - 17) **PTCC Project Manager for Detailed Master Development and Operational Planning for the proposed Philippine Ports Authority (PPA) Passenger Terminal Complex (PTC) Project and Detailed architectural and engineering (DA) design, detailed allied design (AD) and the conduct of the Initial Environmental Examination (IEE) study for the proposed three (3.0)-storey PPA Passenger Terminal Building (PTB) Project in the Port of Cagayan de Oro (CDO) City, Misamis Oriental, Region X, Mindanao; 3.0 mos. as Project Manager for the Philip's Technical Consultants Corp. (PTCC), commissioned consultant of the PPA; and**
 - 18) **DACYapc Project Manager for Evaluation of development potentials of government and private properties along Light Rail Transit (LRT) System Lines 1 and 2 as part of the LRT Financial Restructuring Study (FRS) including land and property developments/redevelopments, Pasay City, Makati City, City of Manila, Quezon City, Marikina City, Metro manila, PH for the Light Rail Transit Authority (LRTA); 1996-1997 (7.0 months); project status : work done by David, Alli, Cruz & Yazon Architects/ Planners Co. (DACYapc) for Joaquin Cunanan Associates in collaboration with Pacific Consultants, International (PCI); project implementation undertaken in phases starting in 1998.**

VII. Institutional Facility Design and Physical Planning Projects (Public and Private Buildings/ Facilities)

- 01) **PTCC Member of Transaction Advisory Group for Public-Private Partnership (PPP) for the PH Department of Education (DepEd) School Infrastructure Project (PSIP) Under a Build-Lease-Transfer (BLT) Modality, 2012 (1.0 man-month) for Philip's Technical Consultants Corp. (PTCC), sub-consultant for Ernst & Young (SGV & Co.), commissioned Transaction Advisor for the PH Government;**
- 02) **FDC Consulting Architect for Educational Facilities Planning and Facilities Evaluation for about 900 secondary school sites under Batches 1 and 2 (15.0 provinces) of the Department of Education (DepEd) Secondary Education Development and Improvement Project (SEDIP) School Mapping Exercise (SME) Project; circa 2005 (2.2 mos.) for the Lead Firm Pacific Consultants International (PCI) and under the Filipinas Dravo Corporation (FDC);**
- 03) **DAac Project Manager for Pre-Design through Preliminary Architectural and Engineering and Allied Design (PAEAD) for the Proposed 54,000.0 SqM. (for further expansion to 78,000 SqM.) PhilHealth Corporate Center Project, East Ave., Quezon City, NCR Philippines (PH); 2008-2011 (2.5 years) under DA Architecture Corp. (DAac) for FDC, commissioned consultant of the Ph Health Insurance Corp. (PHIC) for the Dept. of Health (DoH);**

- 04) **DACYapc Project Manager and Architect-of-record (Aor) for detailed architectural (DA) design, detailed allied design (AD) and the conduct of the Initial Environmental Examination (IEE) study for the proposed eight (8)-storey Philippine Ports Authority (PPA) Headquarters Office Building (HOB) Project** in the South Harbor, City of Manila; 2001 - 02 (1.5 years); total floor area at about twenty thousand square meters (+/- 22,000 sqm); estimated project cost at P820.0 M (as of 2002); project status : project implementation indefinitely suspended by the PPA in early 2002 in mandatory compliance with Administrative Order (AO) No. 5 issued by Philippine President Gloria M. Arroyo (PGMA) and by later austerity measures;
- 05) **LM Consulting Architect for Renovation/ retrofit for the Proposed SITD Offices (at Building C) of the Bangko Sentral ng Pilipinas (BSP) Security Plant Complex (SPC) Project**, with an aggregate floor area of one thousand two hundred sixty (1,260.0) sqm; East Avenue, Quezon City, Metro Manila, 2004 (3.0 months) for Luis and Marquez (LM), the BSP commissioned consultants; construction completed in 2007;
- 06) **FDC Architect-of-record for Detailed architectural and engineering (DA) design and detailed allied design (AD) for the proposed four (4)-storey Home Development Mutual Fund (HDMF)/ Pag-Ibig Fund Regional Office Project** in Cagayan de Oro (CDO) City, Misamis Oriental, Region X, Mindanao, 2003 - 2004 (12.0 months) for the Filipinas Dravo Corporation (FDC), commissioned consultant of the HDMF; total floor area at about three thousand square meters (+/-3,000 sqm);
- 07) **FDC Architect-of-record for Detailed Architectural and Engineering (DA&E) Design, Interior Architecture Design and Space/ Site Planning for two (2) division office buildings of the Department of Education (DepEd)**, with an aggregate floor area of over one thousand six hundred (+/-1,600.0) sqm; 2004 (part-time engagement); total estimated project cost at P21.0 M; construction completed in 2005;
- 08) **DACYapc Project Manager for Detailed architectural and engineering (DA&E) design of the three (3)-storey University of the Philippines Open University (UPOU) Administration Building (+/-2,100.0 square meters), the Administration Complex (3.0 other buildings), and the conceptual master planning/ detailed site development planning for the UPOU campus (22.0 has.), UPLB (College), Los Baños, Laguna; 1998-1999 (2.0 years); actual project cost at P43.0 M; project status : construction completed and building made operational in 1999;**
- 09) **DACYapc Project Manager for Detailed architectural and engineering (DA&E) design and detailed allied design (AD) for various Social Security System (SSS) Hub and Branch Office Building (HOB) Projects** in Luzon (Naga, Batangas, Calapan, etc.) and Metropolitan Manila (Alabang/ 2 locations); 1996 to 2001 (5 years); total floor area at about two thousand five hundred square meters (+/-2,500 sqm); collective project cost at about P80.0 M; project status : almost all offices are operational (except for the SSS Alabang Hub Office (project implementation suspended);
- 10) **PTCC Overall Team Leader and Land Use and Urban Planner 1 for Conceptual through Detailed Site Master Development Planning for Nine (9) Priority Philippine Air Force (PAF) Base Sites Project Nationwide, 2009 - 2010 (14.0 months); project status : project commenced December 2009 under PTCC, commissioned consultant of the PAF.**
- 11) **SPI Assistant Project Manager and Supervising Architect for Allied Design Consulting Services i.e. Space Planning/ Management (SP/SM), Interior Design (ID), Site Development Planning/ Landscape Architecture Design (SD/LAD) and Furniture/ Movables Design (FMD) for the New Philippine National Bank (PNB) Headquarters Office Complex, Financial Center, Pasay City, Metro Manila; the Project had approximately 136,000.0 sqm (13.6 hectares) of enclosed office floor spaces and some 70,000.0 sqm (7.0 hectares) of outdoor office activity areas on a ten hectare (10.0 has.) property; actual project cost at P1,500.0 M; 1989 - 1993 (4.0 years of both full time and part-time engagement); project status : construction completed and complex/ building and grounds made fully operational in 1993; Note: From 1987 through 1993, the PNB fully operated as a Government-Owned and Controlled Corporation (GOCC).;**
- 12) **SPI Assistant Project Manager and Supervising Architect for Detailed Architectural and Engineering (DA&E) Design, Interior Design and Space/ Site Planning for four (4) major multi-storey PNB Buildings, including the PNB Escolta Head Office, totalling over thirty-five (35.0) storeys and with an aggregate floor area of approx. forty thousand (40,000.0) sqm; 1987-1990 (3.5 years of both full time and part-time engagement in-office); total actual project cost at P380.0 M; project status : construction completed and buildings/ offices were all made operational in 1992;**
- 13) **SPI Assistant Project Manager and Supervising Architect for Detailed Architectural and Engineering (DA&E) Design, Interior Design and Space/ Site Planning for fourteen (14) of twenty-five (25) new Philippine National Bank (PNB) branch or regional office buildings all over the Philippines, with an aggregate floor area of over twenty thousand (+/-20,000.0) sqm; 1987-1993 (6.5 years of both full time and part-time engagement in-office) for Shellink Planners, Inc. (SPI) for PNB; total actual project cost at P230.0 M; project status : construction completed and buildings were all made operational in 1994;**
- 14) **SPI Assistant Project Manager and Supervising Architect for Detailed Architectural and Engineering (DA&E) Design, Interior Design and Space/ Site Planning for the Renovation of over twelve (12) major PNB branch or regional offices in line with the PNB's branch and regional offices upgrading program; the Project involved an aggregate floor area of over ten thousand (+/-10,000.0) sqm; 1987-1989 (2.5 years of both full time and part-time engagement in-office) for SPI for PNB; total actual project cost at P115.0 M;**

- project status: construction **completed** and buildings/ offices were all made operational in 1992;
- 15) **SPI Consultant Project Manager, Supervising Architect, Space Planner and Construction Manager**, Renovation of the Office of the Secretary of the Department of Agriculture (DA) and of the National Agricultural and Food Council (NAFC) Secretariat; aggregate floor area of approx. one thousand five hundred (1,500) sqm of enclosed offices; 1987-88 (design) and 1989-1990 (construction management); (2.5 years of both full time and part-time engagement in-office) for SPI for NAFC; total actual project cost at P10.5 M; project status : construction **completed** and offices made operational in 1991; and
 - 16) **FDC Consulting Architect for Space Planning and Preliminary Architectural Plan Preparation for the Bonifacio Development Corporation (BDC) Annex Complex Project** at the old National Defense College of the Ph (NDCP) Building/ Site at Fort Bonifacio, Makati City (0.7 ha./ 8,000 sq. m.); 1997 (2.0 months) for the FDC for BDC; project status : construction completed and facility made operational in 1998;
 - 17) **FDC Consulting Architect and Site Planner** for the completed development of the sixty five hectare (65.0 has.) campus of the Philippine Merchant Marine Academy (PMMA) in San Narciso, Zambales, 1995-1996 (2.50 months) for FDC for the PMMA; actual project cost at about P64.0 M; project status : construction **completed** and complex/ buildings and grounds made operational in 1998; and
 - 18) **FDC Consulting Architect and Site Planner** for the development (+/-3,500.0 sqm) of the 0.3 hectare Roppongi Property of the Philippine Government in Tokyo, Japan, 1994-1995 (3.50 months) for the Association of Filipinas Dravo Corporation (FDC) and Nihon Sekkei (Tokyo), for the Department of Foreign Affairs (DFA) of the Government of the Republic of the Philippines (GRP); estimated project cost at about P90.0 M; project status: construction **completed** & building made operational in 1999.

VIII. Industrial Facility Design and Physical Planning Projects

- 01) **PTCC Project Manager/ Consulting Architect/ Master Planner for Site Development Planning cum Architectural Planning and Design Services for the 21,500.0 SqM portion of the 50,000.0 SqM TGFA Knowles Electronics Corp. (KEC of USA) Project 5.0 has. Greenfield Site Phases 1 and 2 (Electronics Production Plant), 2011 - 2013 (26.0 months) for the PTCC, commissioned consultant of the KEC (USA);**
- 02) **Project Manager/ Consulting Architect, Architectural Planning and Design Services for the 1,800.0 SqM TGFA Knowles Electronics Corp. (KEC of USA) Project Brownfield Site Training Facility (for an Electronics Production Plant), 2011 - 2012 (4.0 months); PTCC, commissioned consultant of KEC (USA);**
- 03) **SPI Project Manager for KALOK hard drive manufacturing facility (approx. 50,000.0 sqm TGFA); 1990 (part-time engagement in-office) for SPI for KALOK;**
- 04) **SPI Project Manager for Goodyear Philippines, Inc. (GPI) Locker and Shower Facilities; 1989 (part-time engagement in-office) for SPI for GPI;**
- 05) **FDC Consulting Architect/ Planner for Conceptual (Macro) Land Use Planning for the proposed 53,000.0 hectare expanded Cagayan Special Economic Zone & Freeport (CSEZF) Complex including Port Irene in the towns of Gonzaga, Santa Ana and San Vicente, Cagayan Province, Region II, PH; for the Consortium of the Filipinas Dravo Corporation (FDC) and the Landseaire Resources and Management Corporation (LRMC), commissioned consultants for the Cagayan Economic Zone Authority (CEZA), February-April 1998 (3.0 months part-time engagement in-office) for ADNAapec NDCS for FDC;**
- 06) **SPI Assistant Project Manager for Master Development Planning of the Proposed Clark Special Economic Zone Industrial Estate Project (+/- 500.0 has.), Civil Aviation Complex (CAC) and the International Transshipment Facility (+/- 200.0 has.); client was the Legislative-Executive Bases Council (LEBC) of the Government of the Republic of the Philippines (GRP); 1989-1990 (part-time engagement in-office) for SPI;**
- 07) **DACYapc Assistant Project Manager for Master development planning for the 30.0 hectare (has.) Light Industrial Park portion and for the preliminary master development plan preparation for the entire 750.0 has. Freedom Valley Resettlement (FVR) Project for the Housing and Urban Development Coordinating Council (HUDCC) of the GRP; Sto. Boso-Boso, Bgy. San Jose, Antipolo, Rizal Province, PH; 1996-1997 (part-time engagement in-office) for DACYapc for HUDCC;**
- 08) **SKI Consulting Planner for Conceptual through Detailed Master Development Planning for the Proposed development of the 550.0 hectares (has.) Panabo Agri-/ Agro-Industrial Estate Project in Panabo City, Davao del Norte, PH approx. 500.0 hectares (has.) total land area (TLA); 2004 (2.0 months part-time engagement in-office) for SKI;**
- 09) **DACYapc Project Manager for Prince Light Industrial Estate (approx. 22.0 has. TLA), Cabuyao, Laguna; 1997 (part-time engagement in-office for DCCD Engineering Corp.); and**
- 10) **DACYapc Project Manager for House of Sara Lee Warehouse Facility (approx. 4,500.0 sqm TGFA); 1994 (part-time engagement in-office) for DACYapc for the House of Sara Lee (HoSL).**

XI. Physical Planning with/ without Conceptual Architecture Services for Various Reclamation Projects

- 01) **FDC Architect/ Planner for Feasibility Study Relating to the Revision of the Preliminary Master Development Plan (MDP) for the Proposed 148.0 hectares (has.) Manila Goldcoast Reclamation Project (MGRP), 2012 (1.0 man-month) for the Filipinas Dravo Corporation (FDC) for the Manila Goldcoast Development Corp. (MGDC);**
- 02) **FDC Architect/ Planner for Feasibility Study Relating to the Update/ Revision of the Conceptual through Preliminary Master Development Plan (MDP) for the Proposed 106.0 hectares (has.) World Manila Bay Reclamation Project (WMBRP), 2012 (2.0 man-months) for the FDC, commissioned consultant;**
- 03) **FDC Sub-consultant for Planning for Updating/ Revision of the Conceptual through Preliminary Master Development Plan (MDP) for the Proposed 161.0 hectares (has.) Manila Goldcoast Reclamation Project (MGRP), 2011 (3.0 weeks) for the FDC, commissioned consultant;**
- 04) **PRA Physical Planning Consultant for Property Development Brief preparation for four (4) Reclaimed Properties of the Philippine Reclamation Authority (PRA) Along the Coastal Road, totaling +/- 8.0 hectares (has.) in surface area, 2010 (2.0 months);**
- 05) **DACYapc Project Manager for Detailed Master Development Planning (MDP) and Limited Land Use, Transportation and Environmental Analyses (LLUTEA)/ Studies for the Development of the 50.0-hectare (has.) property share of the Public Estates Authority (PEA) at the Central Business Park Island A [CBP-I(A)] portion of the Bay City (old Boulevard 2000) Project (estimated project cost at P3,000.0 M); project status : bidding for parcelized portions of the property undertaken circa early 2001; Pasay City, PH;**
- 06) **FDC Consulting Planner for Conceptual Master Development Planning (CMDP) of the proposed 217.0 hectare Davao City Reclamation Project on which shall pass the proposed Davao City coastal road and the proposed Metro-Davao LRT system, 1996 (2.0 months) for the Filipinas Dravo Corporation (FDC);**
- 07) **DCCD Consulting Planner for Pre-Feasibility Study for the Proposed Philippine World Center Project (a proposed joint venture project between PEA and TOYO Construction Co., Ltd. of Japan) at the City of Manila (+/- 150.0 hectares (has.)), PH; 1990 (1.5 months) for the DCCD Engineering Corp. in association with JCP Incorporated (Planners, Architects and Consulting Engineers) of Tokyo, Japan for the Coordinating Council of the Philippine Assistance Program (CCPAP); and**
- 08) **SPI Project Manager and Architect/ Planner for the Conceptual Development Master Planning and Conceptual Architectural Design for the proposed North EDSA Mixed-Use Development Project (+/-150,000.0 sqm), and grounds totaling some 40.0 hectares (has.); client was DCCD Engineering Corp. for the National Housing Authority (NHA) and the Quezon City Government; 1989 (1.5 months of part-time engagement).**

X. Participation in the Provision of General Advisory and/or Consulting Services to the Philippine (PH) Government (Ongoing, Recently Completed and Past Consulting Services for Various Public-Private Partnership/ PPP Project or Build-Operate-Transfer/ BOT and Variant Project Proposals)

- 01) **Team Member of ICF GHK, in association with Feedback Infrastructure Services Private Limited, the consulting association commissioned by the PH Government to implement the transaction advisory/ pre-investment studies for the Integrated Transport System Project (ITSP) under the National Economic Development Authority (NEDA) Public-Private Partnership (PPP) Center and the Department of Transportation and Communication (DoTC); 3.0 months as Architect;**
- 02) **PTCC Member of the Transaction Advisory Group for Public-Private Partnership (PPP) for the PH Department of Education (DepEd) School Infrastructure Project (PSIP) Under a Build-Lease-Transfer (BLT) Modality, 2012 (1.0 man-month) for Philips' Technical Consultants Corp. (PTCC), sub-consultant for Ernst & Young (SGV & Co.) as commissioned Transaction Advisor for the PH Government; estimated project cost at PhP12.0 B;**
- 03) **Physical Planning and/or Terminal Architectural Concept Design for Various Airport Development/ Redevelopment Projects of the Department of Transportation and Communications (DoTC) in Caticlan (Aklan Province, as Air Transport Planner), Kalibo (Aklan Province, as Project Manager and Airport Planner), Libmanan (Camarines Sur Province, as Project Manager and Airport Planner), Lal-lo (Cagayan Province, as Senior Architect), Maddela (Quirino Province, as Senior Architect) and the New International Cargo Terminal (NICT, as Project Manager and Architect/ Master Planner) at the NAIA Complex (a 2011 PPP project) in the Metropolitan Manila Area (MMA/ NCR); 2008 through 2012 for the Philip's Technical Consultants Corp. (PTCC) and the Engineering and Development Corp. of the Ph (EDCOP);**
- 04) **EDCOP Air Transport Planner for Physical Planning for the Caticlan Airport Project for the Civil Aviation Authority of the Philippines (CAAP) and its Concessionaire, the San Miguel Corporation (SMC) group of companies, (approx. 2.0 months for EDCOP);**
- 05) **SKI Tourism Development Specialist for Pre-Feasibility Study for the Naga River Revitalization Project (Naga City, Camarines Sur Province), a 2010-2011 Asian**

- Development Bank (ADB)-funded study; [approx. 4.0 months for Schema Konsult, Inc. (SKI) in collaboration with ICON GmbH (Germany)], commissioned associated consultants for the Cities Development Initiative for Asia (CDIA);
- 06) **SMEC Consulting Urban Designer** for **Manila North Tollway Corporation/ MNTC Project** (C-3, Quezon City to NLEX, Metropolitan Manila Area), 2010 (2.0 months, July through October 2010) under Snowy Mountains Engineering Corp. (SMEC), commissioned consultant;
 - 07) **FDC Consulting Architect** for **Conceptual through Detailed Site Planning and Architectural Design** for the proposed **95.0 kilometer (km) Tarlac-Pangasinan-La Union Expressway (TPLEX) Project**, 2008 (8.0 months) for the Filipinas Dravo Corp. (FDC), commissioned consultant; project status : project implemented circa 2010 (and targeted for completion in 2013);
 - 08) **DACYapc Project Manager** for **Evaluation of development potentials of government and private properties along Light Rail Transit (LRT) System Lines 1 and 2 as part of the LRT Financial Restructuring Study (FRS)**, Pasay City, Makati City, City of Manila, Quezon City, Marikina City, Metro Manila, PH for the Light Rail Transit Authority (LRTA); 1996-1997 (7.0 months) for Cunanan & Associates/ Price Waterhouse; estimated project cost at P520.0 M; project status : project implementation **undertaken** in phases starting in 1998;
 - 09) **Consulting Planner** for **Pre-Investment Study for a proposed 20.0 kilometer (km) toll road project** between the CALABARZON Provinces of Laguna and Cavite Provinces, Region IV, PH; 1994-1995 (2.50 months) for Landpros Corp.; project status : construction completed circa 1998;
 - 10) **FDC Consulting Architect/ Planner** for **Feasibility Study for the proposed 49.0 kilometer (km) Circumferential Road 6 (C-6) Tollway Project and its development corridor** to be located between Muntinlupa City, Metropolitan Manila and Meycauayan, Bulacan Province, 1993-94 (3.0 months) for the Filipinas Dravo Corporation (FDC) and the Ph national Construction Corp. (PNCC)-Citra Consortium;
 - 11) **FDC Consulting Planner** for **Pre-Feasibility Study for the proposed 162.0 kilometer (km) North Luzon Tollway Extension (NLTE) Project and its development corridor** to be located between Sta. Ines, Pampanga and San Fernando, La Union Province, Region I, PH; 1996 (1.50 months) for the Filipinas Dravo Corporation (FDC);
 - 12) **FDC Consulting Planner** for **Pre-Feasibility Study for the proposed 15.0 kilometer (km) Metro Manila Skyway (MMS) Project located above the South Luzon Expressway (SLEX)** between Bicutan, Parañaque City and Sen. Gil Puyat (Buendia) Ave., Makati City, Metropolitan Manila, PH; 1994 (1.5 months) for the Filipinas Dravo Corporation (FDC) and PNCC-Citra Consortium; initially estimated project cost at about P5,500.0 M (excluding ROW acquisition); project status : construction **completed** and project made operational circa 1999;
 - 13) **FDC Consulting Architect/ Planner** for **Pre-Investment/ Pre-Feasibility Studies for the proposed land use conversion i.e. elevated tollway, housing for 18,000.0 families and or about 90,000.0 residents and ancillary developments, on a 16.0 kilometer (km) section of the Philippine National Railway (PNR) right-of-way (ROW) in Metro Manila** with an aggregate land area of seventy six hectares (76.0 has.), 1995-1996 (4.0 months) for Landseaire Resources Mgmt. Corp. (LRMC); estimated project cost at about P240.0 M; project status : project **partially implemented** in 1997-98 but using a vastly different master plan evolved by project proponent New San Jose Builders Corp.;
 - 14) **Consulting Architect/ Planner** for **Alignment Study for the Proposed 30.0 kilometer (km) Manila South Line Mass Rapid Transit (MSL MRT) Project**, April-June 1998 (2.50 months) for the ALMEC Corporation (Japan); project status : project implementation for commencement circa 2002; and
 - 15) **FDC Consulting Architect/ Site Planner** for **Conceptual Architectural Design and Site Planning of the 0.3 hectare Roppongi Property of the Philippine Government** in Tokyo, Japan, 1994-1995 (3.50 months) for the Association of Filipinas Dravo Corporation (FDC) and Nihon Sekkei (Tokyo), for the Department of Foreign Affairs (DFA) of the Republic of the Philippines (GOP); actual project cost at about P90.0 M; project status: construction **completed** and building made operational circa 1999.

XI. Project Management of Contracted Consulting Services Relating to Various Levels of Physical Planning and Architectural Plan/ Design Preparation for Various Project Types

- 01) **TAMpc Project Manager** for **Corridor Conceptual Land Use Planning (CoLUP) for the 98,030.0 hectare (has.) Subic-Clark Alliance for Development Council (SCADC) Corridor Project**, Tarlac, Pampanga, Bataan & Zambales Provinces, Region III, Philippines (PH); 2008 - 2009 (8.0 months) for Tomeldan, Alli & Molina Planners Co. (TAMpc) for the SCADC;
- 02) **SPI Assistant Project Manager** for **Master Development Planning of the Proposed Clark Air Base Civil Aviation Complex International Passenger Terminal (+/- 50,000.0 sqm) and the International Container Terminal (+/- 90,000.0 sqm)**, together with their respective building grounds totalling some 1,000.0 hectares (has.); Shellink Planners, Inc. (SPI) for the Consortium of SGV & Co., DCCD Engineering Corp. & SPI, commissioned consultants of the Legislative-Executive Bases Council (LEBC) of the Republic of the Philippines (GOP); 1989-1990 (2.0 years of part-time engagement in-office);

ADNAapec Networked Development Consulting Services (NDCS) Armando Dominador N. ALLÍ, architect, planner & environment consultant Philippine (PH)-Registered & Licensed **Architect (RLA)**, RL **Environmental Planner (RLEnP)**, RL **Interior Designer (RLID)** & RL **Real Estate Broker (RLREB)** c/o Fax 286.2678 Handphone 0916.2862678 & Wireless Landline 347.5678 Email Addresses: planner.alli@gmail.com or consultant.alli@gmail.com

- 03) **PTCC Project Manager for Feasibility Study for the 96,000.0 SqM TGFA NAIA New International Cargo Terminal (NICT) Project**, 2010 (2.5 months); Philips' Technical Consultants Corp. (PTCC), commissioned consultant for Ernst & Young (SGV);
- 04) **PTCC Project Manager for Feasibility Study for the Proposed Libmanan Airport Project (Camarines Sur)**, 2010 (4.0 months) under Philip's Technical Consultants Corporation (PTCC), commissioned consultant of the Department of Transportation & Communications (DoTC);
- 05) **PTCC Project Manager for Conceptual Development Planning for the 124,000.0 Sqm TGFA One DTI Corporate Center Project**, 2009-2010 (4.0 man-months); project status : project commenced in October 2009 under PTCC, commissioned consultant of the National Development Corp. (NDC) of the Department of Trade and Industry (DTI);
- 06) **PTCC Overall Team Leader/ Land Use and Urban Planner 1 for Conceptual through Detailed Site Master Development Planning for Nine (9) Philippine Air Force (PAF) Base/ Station Sites Project Nationwide**, 2009 - 2010 (14.0 months); project status : project commenced circa December 2009 under PTCC, commissioned consultant of the PAF;
- 07) **FDC Project Manager for Pre-Design through Preliminary Architectural and Engineering and Allied Design (PAEAD) for the Proposed 54,000.0 SqM. PhilHealth Corporate Center Project**, East Ave., Quezon City, NCR Philippines (PH); 2008-2010 (1.5 years); architectural services in collaboration with David & Alli Architecture Corporation/ DAac (Oct 2008 - Jan 2009) for the Filipinas Dravo Corp. (FDC), commissioned consultant of the Philippine Health Insurance Corp. (PHIC) of the Department of Health (DoH);
- 08) **FDC Project Manager for Design Development through Detailed Architectural and Engineering and Allied Design (PAEAD) and Contract Documentation for the Proposed 74,000 SqM PhilHealth Corporate Center Project**, East Ave., Quezon City, NCR Philippines (PH); 2012 (10.0 months, ongoing) for the FDC, commissioned consultant of PHIC of the DoH;
- 09) **PTCC Project Manager for Detailed Master Development and Operational Planning for the proposed Philippine Ports Authority (PPA) Passenger Terminal Complex (PTC) Project and Detailed architectural and engineering (DA) design, detailed allied design (AD) and the conduct of the Initial Environmental Examination (IEE) study for the proposed three (3.0)-storey PPA Passenger Terminal Building (PTB) Project in the Port of Cagayan de Oro (CDO) City, Misamis Oriental, Region X, Mindanao; 3.0 mos. as Project Manager for the PTCC, commissioned consultant of the PPA;**
- 10) **DACYapc Project Manager for Conceptual through detailed master planning/ detailed site development planning for the University of the Philippines Open University (UPOU) campus (22.0 has.)**, UPLB (College), Los Banos, Laguna Province, PH; 1998-1999 (2.0 years) for David, Alli, Cruz & Yazon Architects/ Planners Co. (DACYapc), commissioned consultant of the UPOU; actual project cost at P43.0 M; project status : construction completed and building made operational circa 1999; and
- 11) **SPI Assistant Project Manager for Allied Design Consulting Services i.e. Space Planning/ Management (SP/SM), Interior Design (ID), Site Development Planning/ Landscape Architecture Design (SD/LAD), and Furniture/ Movable Design (FMD) for the New Philippine National Bank (PNB) Headquarters Office Complex**, Financial Center, Pasay City, Metro Manila; the Project had approximately 136,000.0 sqm (13.6 hectares) of enclosed office floor spaces and some 70,000.0 sqm (7.0 hectares) of outdoor office activity areas on a ten hectare (10.0 has.) property; actual project cost at P1,500.0 M; 1989 - 1993 (4.0 years of both full time and part-time engagement under Shellink Planners, Inc./ SPI, commissioned consultant of the PNB); project status : construction completed and complex/ building and grounds made fully operational circa 1994.

XII. Consulting Services Relative to Property Development Brief Preparation

- 01) **ADNAapec NDCS Physical Planning and Concept Architecture Consultant for the Property Development Brief Preparation for Various Prime Properties of the Government Service Insurance System (GSIS) in the Metropolitan Manila Area (MMA)**, totaling +/- 6.0 hectares (has.) in surface area, 2012-2013 (2.0 months for Armando Dominador N. Alli, architect-planner-environment consultant (ADNAapec) Networked Development Consulting Services (NDCS) for GSIS;
- 02) **ADNAapec NDCS Physical Planning Consultant for Property Development Brief Preparation for four (4) Reclaimed Properties of the Philippine Reclamation Authority (PRA) Along the Coastal Road**, totaling +/- 8.0 hectares (has.) in surface area, 2010 (2.0 months for the PEA);
- 03) **ADNAapec NDCS Consulting Architect for Proposed 16-storey Condominium Building Project (+/-7,000 sqm. near Sucat Road, Paranaque City)**, 2012 (0.75 months) for Private Client DO Delfin;

- 06) **DACYapcc Assistant Project Manager** for **Proposed twenty-two (22)-storey Margarita Plaza Twin Tower mixed-used development project** in the Timog Ave. area, Quezon City; TERP Margarita Plaza Corporation; 1993-1998 (3 years) for David, Alli, Cruz & Yazon Architects/ Planners Co. (DACYapcc), commissioned consultant of the Margarita Plaza Devt. Corp.; (+/-30,000 square meters or sqm);
- 07) **DACYapcc Project Manager** for **Proposed fourteen (14)-storey Michelle Towers** in Cubao, Quezon City for JSO Development Corporation; 1993-1998 (3 years); (+/-6,800 sqm);
- 08) **DACYapcc Project Manager** for **Proposed 22-storey Aegis Tower mixed-used development** in Katipunan Ave., QC; 1997 (3 months) for the Belizario Family; (+/-12,000 sqm); and
- 09) **DACYapcc Project Manager** for **Proposed twelve (12)-storey Sapphire commercial development project** in Cubao, Quezon City; 1993 (2 months) for the Sapphire Development Corp.; (+/-24,000 sqm).

XIII. Transportation Planning (Expressways and Transit Systems)

- 01) **Consulting Planner** for **Pre-Investment Study for a proposed 20.0 kilometer (km) toll road project** between the CALABARZON Provinces of Laguna and Cavite Provinces, Region IV, PH; 1994-1995 (2.50 months) for Landpros, Corporation; project status : construction completed circa 1998;
- 02) **FDC Consulting Architect** for **Conceptual through Detailed Site Planning and Architectural Design for the proposed 95.0 kilometer (km) Tarlac-Pangasinan-La Union Expressway (TPLEX) Project**, 2008 (8.0 months) for the Filipinas Dravo Corporation (FDC); project status : project implemented circa 2010;
- 03) **FDC Consulting Architect/ Planner** for **Pre-Investment/ Pre-Feasibility Studies for the proposed land use conversion i.e. elevated tollway, housing for 18,000.0 families and or about 90,000.0 residents and ancillary developments, on a 16.0 kilometer (km) section of the Philippine National Railway (PNR) right-of-way (ROW) in Metro Manila** with an aggregate land area of seventy six hectares (76.0 has.), 1995-1996 (4.0 months) for Landseaire Resources Mgmt. Corp. (LRMC); estimated project cost at about P240.0 M; project status : project **partially implemented** in 1997-98 but using a vastly different master plan evolved by project proponent New San Jose Builders Corp.;
- 04) **FDC Consulting Planner** for **Feasibility Study for the proposed 49.0 kilometer (km) Circumferential Road 6 (C-6) Tollway Project and its development corridor** to be located between Muntinlupa City, Metropolitan Manila and Meycauayan, Bulacan Province, 1993-94 (3.0 months) for the Filipinas Dravo Corporation (FDC) and the Ph National Construction Corp. (PNCC)-Citra Consortium;
- 05) **FDC Consulting Planner** for **Pre-Feasibility Study for the proposed 162.0 kilometer (km) North Luzon Tollway Extension (NLTE) Project and its development corridor** to be located between Sta. Ines, Pampanga and San Fernando, La Union Province, Region I, PH; 1996 (1.50 months) for the Filipinas Dravo Corporation (FDC);
- 06) **FDC Consulting Planner** for **Pre-Feasibility Study for the proposed 15.0 kilometer (km) Metro Manila Skyway (MMS) Project to be located above the South Luzon Expressway (SLEX)** between Bicutan, Parañaque City and Sen. Gil Puyat (Buendia) Ave., Makati City, Metropolitan Manila, PH; 1994 (1.50 months) for the Filipinas Dravo Corporation (FDC) and PNCC-Citra Consortium; initially estimated project cost at about P5,500.0 M (excluding ROW acquisition); project status : construction **completed** and project made operational circa 1999;
- 07) **Assessment and evaluation of the state of the right-of-way (ROW), station/ terminal facilities, yards, depot, and rolling stock of the Philippine National Railways (PNR)**;
- 08) client was DCCD Engineering corporation for the PNR; 1985 (0.75 months part-time); and
- 09) **SMEC Consulting Urban Designer** for **Manila North Tollway Corporation/ MNTC Project (C-3, Quezon City to NLEX, Metropolitan Manila Area)**, 2010 (2.0 months, July through October 2010) under Snowy Mountains Engineering Corp. (SMEC), Ph, commissioned consultant.

XIV. General Land and/or Water Use Planning (with Site Planning)

- 01) **TAMpcc Consulting Urban Planner** for **Preliminary Master Development Planning (PMDP) for the Proposed Metropolitan Clark Area (MCA)** for the Subic-Clark Alliance for Development Council (SCADC), covering the Clark Special Economic Zone (CSEZ), and the towns of San Fernando, Mabalacat and Porac in Pampanga Province and the town of Bamban in Tarlac Province, Region III, Philippines (PH); 2010 - 2011 (6.0 months) for Tomeldan, Alli & Molina Planners Co. (TAMpcc) for the SCADC;
- 02) **TAMpcc Project Manager** for **Corridor Conceptual Land Use Planning (CoLUP) for the 98,030.0 hectare (has.) Subic-Clark Alliance for Development Council (SCADC) Corridor Project**, Tarlac, Pampanga, Bataan & Zambales Provinces, Region III, Philippines (PH); 2008 - 2009 (8.0 months) for TAMpcc for the SCADC;
- 03) **SPI Assistant Project Manager** for **Master Development Planning of the Proposed Clark Air Base Civil Aviation Complex International Passenger Terminal (+/- 50,000.0 sqm) and the International Container Terminal (+/- 90,000.0 sqm)**, together with their respective building grounds totalling some 1,000.0 hectares (has.); client was the Legislative-Executive Bases Council (LEBC) of the Government of the Republic of the Philippines (GRP); 1989-1990 (2.0 years of part-time engagement in-office);

- 04) **TAM Regulations Specialist for the Consulting Services for the Formulation of the Makati City Billboard and Signage Masterplan**, Metropolitan Manila, PH; year 2012 (10.0 months) for TAM Planners Co. for the Makati City Government;
- 05) **SKI Tourism Development Specialist for Pre-Feasibility Study for the Naga River Revitalization Project** (Naga City, Camarines Sur Province), an Asian Development Bank (ADB)-funded study under Schema Konsult, Inc. (SKI) in collaboration with ICON GmbH (Germany), commissioned consultants for the Cities Development Initiative for Asia (CDIA); 2011 (5.0 months);
- 06) **EDCOP Architect/ Urban Planner for Study for Clearing/ Redevelopment the Right-of-Way (ROW) of the Manila Water Company, Inc.** (Quezon City & San Juan, Metro Manila), 2010 (3.0 months) under EDCOP, commissioned consultant;
- 07) **FDC Architect/ Planner for Updating/ Revision of the Conceptual through Preliminary Master Development Plans (MDPs) for the Proposed 161.0 hectares (has.) Manila Goldcoast Reclamation Project** (MGRP), 2011 (3.0 weeks) for the Filipinas Dravo Corp. (FDC);
- 08) **Conceptual through Detailed Site Master Development Planning for Nine (9) Priority Philippine Air Force (PAF) Base Sites Project Nationwide, 2009 - 2010** (14.0 months); project status : project commenced circa December 2009 under Philip's Technical Consultants Corp. (PTCC), commissioned consultant for the PAF;
- 09) **TAMpc Land Use Planner for Land Use Mapping, Comprehensive Land Use Planning (CLUP), Revision of the Zoning Ordinance (ZO) and the Preparation of Land Use Development and Management Guidelines (LUDMG) for Pasay City**, Metropolitan Manila, PH; year 2001 (3.0 months); estimated project development cost at about P3,000.0 M; project status : ZO passed by Pasay City Council; CLUP approved circa 2003 by the Metropolitan Manila Development Authority (MMDA) and thereafter ratified by the Housing and Land Use Regulatory Board (HLURB);
