BOARD OF ARCHITECTURE

Board Resolution No. **05**
Series of 2007

RULES AND REGULATIONS IMPLEMENTING SECTION 37, ARTICLE IV OF R.A. NO. 9266, KNOWN AS “THE ARCHITECTURE ACT OF 2004”, AND SECTION 37, RULE IV OF BOARD RESOLUTION NO. 07, SERIES OF 2004, KNOWN AS THE “IRR OF THE ARCHITECTURE ACT OF 2004”, PROVIDING FOR REGISTRATION OF FIRMS, COMPANIES, PARTNERSHIPS, CORPORATIONS OR ASSOCIATIONS OF REGISTERED AND LICENSED ARCHITECTS AND FOR OTHER PURPOSES

WHEREAS, *Section 37, Article IV of Republic Act (R.A.) No. 9266*, known as “**The Architecture Act of 2004**”, which took effect on April 10, 2004, and **Board Res. No. 07, Series of 2004**”, known as the “**IRR of the Architecture Act of 2004**”, which took effect on December 1, 2004, provide that a **firm, company, partnership, corporation or association** may be **registered or licensed** as such for the practice of architecture, subject to compliance with certain requirements;

WHEREAS, *Section 25, Article IV of supra law and Section 25, Rule IV of supra Resolution* state that **no** person shall practice **architecture** in the country, or engage in preparing **architectural** plans, specifications or preliminary data for the erection or alteration of **any building** located within Philippine boundaries or **use** the title “**Architect**” or display the word “**Architect**” together with another word, or display or use any title, sign, card, advertisement, or other device to indicate such person practices or offers to practice architecture, or is an architect, unless such a person shall have received from the **Professional Regulatory Board of Architecture** (the “**Board**”), a **Certificate of Registration** and be issued a **Professional Identification Card** in the manner hereinafter provided and shall thereafter comply with the provisions of this Act;

WHEREAS, *Section 7, Article II of supra law and Section 7, Rule II of supra Resolution* provide that some of the specific powers, functions and responsibilities of the **Board** are to:

- 1) prescribe and adopt the rules and regulations necessary for carrying out the provisions of the said Act;
- 2) monitor the conditions affecting the practice of architecture and adopt such measures as may be deemed proper for the enhancement and maintenance of high professional, ethical and technical standards of the profession;
- 3) discharge such other duties and functions as may be deemed necessary for the enhancement of the architectural profession, etc;

WHEREAS, *Section 41, Article V of supra law and Section 41, Rule V of supra Resolution* state that the Board, subject to the approval of the **Professional Regulation Commission** (the “**Commission**”) and in coordination with the **integrated and accredited professional organization of architects** (the “**IAPOA**”), shall adopt and promulgate such rules and regulations to carry out the provisions thereof;

WHEREAS, the **registration of firms**, companies, partnerships, corporations or associations engaged in the practice of the **architectural** profession or in undertaking **any** part of the scope of **architectural** practice as defined under *Sections 3.3 and 3.4, Article I of the said Act and Sections 3.(3) and 3.(4) of Rule I of the said Resolution* shall enable the

Board to attain the enhancement and maintenance of high professional, ethical and technical standards of the profession as mandated by the said Act;

WHEREAS, there is a clear need to **protect** the public against fraud, deception, or the consequences of negligence, ignorance and incompetence or malpractice in the practice of the **architectural** profession as well as incidences of the **illegal** practice of architecture by many different entities, which may include **other** professionals registered and licensed by the **other** Boards and the **Commission**;

WHEREAS, **registration** shall help the **Commission** and the **Board** in identifying and imposing the disciplinary sanctions on **firms**, companies, partnerships, corporations or associations engaged in the practice of the **architectural** profession in violation of the rules and regulations of the **Board** or non-adherence to the professional, ethical and technical standards of the **architectural** profession and assisting the prosecution office in the investigation of a **criminal** complaint against any of these **juridical** persons for violation of the law, IRR, and these **Rules and Regulations**; and

WHEREAS, in the formulation of the **rules**, the **Board** conducted consultations with the **IAPOA**, other associations of architects (provided for under *Section 40, Article IV of the Act and Section 40, Rule IV of the same Resolution*) and representatives of legitimate **firms**, companies, partnerships, corporations or associations engaged in the practice of the **architectural** profession;

NOW, THEREFORE, the Board **RESOLVES**, as it is hereby **RESOLVED**, to prescribe, adopt, and promulgate the following **rules and regulations** implementing *Section 37, Article IV of R.A. No. 9266 and Section 37, Rule IV of Board Resolution No. 07, Series of 2004, known as the “IRR of the Architecture Act of 2004”*(hereinafter-called the **Implementing Rules and Regulations of Sec.37**), providing for the **registration of firms**, companies, partnerships, corporations or associations engaged in the **general** practice of the **architectural** profession or in undertaking **any** part of the scope of **architectural** practice as defined under *Sections 3.3 and 3.4 of Article I of the same law and Sections 3.(3) and 3(4), Rule I of the same Resolution*, and prescribing penalties for violation hereof.

RULE I. DEFINITION OF TERMS

SEC. 1. *Terms Used.* – When used in these implementing rules and regulations, the following terms, shall have the meaning as indicated:

- 1) “**General Practice of Architecture**” means the act of planning and **architectural** designing, **structural conceptualization**, specifying, supervising and giving general administration and responsible direction to the erection, enlargement or alterations of **buildings** and **building environments** and **architectural** design in engineering structures or any part thereof; the scientific, aesthetic and orderly coordination of **all** the processes which enter into the production of a **complete building** or structure performed through the medium of preliminary studies of **plans**, consultations, specifications, conferences, evaluations, investigations, contract documents and oral advice and directions **regardless** of whether the persons engaged in such practice are residents of the Philippines or have their principal office or place of business in this country or another territory, and regardless of whether such persons are performing one or all these duties, or whether such duties are performed in person or as the directing head of an office or organization performing them;
